

## To VR-bungee users

The following **usage criteria** are in place to ensure your safety when using VR-bungee. In case it is judged that the images of special effects may negatively impact your health, we might need you to refrain from using VR-bungee. Please understand that this is for your safety.

- When waiting for your turn to use VR-bungee, please do not do anything dangerous, do not skip the line, and do not do anything else which may inconvenience other customers. Also, please refrain from waiting for someone else to join the line. Everyone who wants to use VR-bungee should line up from the start.
- Please refrain from smoking, eating, or drinking during the experience.
- Due to malfunctions, maintenance, and other reasons, opening hours may change without prior notice.
- In case of an emergency, please stay calm and follow the staff's instructions.
- The staff may elect to keep you from using VR-bungee if they judge that your actions may inconvenience other customers.

### People who cannot use VR-bungee

- Children under six years of age
  - People in poor physical condition, with a weak heart, who easily suffer from motion sickness, those who need assistance for standing and sitting down, or those who are or could be pregnant
  - People with hearing or visual impairments
  - People who suffer from muscle spasms or loss of consciousness when subjected to flashing lights
  - People with medical devices such as pacemakers
  - People who have consumed alcohol and are judged by the staff as not suitable for using this attraction
- \* People who cannot walk independently cannot use the attraction. For those with physical disabilities, please ask the staff.
- \* If you have symptoms which may be worsened by using VR-bungee, please refrain from doing so.

### Symptoms whose carriers cannot use VR-bungee

Dizziness, claustrophobia, respiratory disease, convulsive seizures, high blood pressure, fear of the dark, fear of high places, noise hypersensitivity etc.

## Notes

### [If you feel sick]

- If you feel sick or frightened during the experience, you can alleviate these feelings by closing your eyes.
  - If you want to stop, please inform the staff.
- During the experience, you may feel discomfort such as eye fatigue, dizziness, loss of balance, nausea, or other symptoms similar to motion sickness.
  - If you feel sick or distressed, stop using VR-bungee immediately and rest until you recover.
- If you feel the above symptoms after the experience, rest until you recover.

\*We will not issue refunds if the experience is suspended or terminated due to the customer's circumstances.

### [For customers with glasses]

- Although it is possible to wear the VR goggles over glasses, this may not be true depending on the shape and size of the latter.
  - We recommend using contact lenses.
- We cannot assume responsibility for the breakage of eyeglasses. Please be careful when wearing the VR goggles.
- Users with bifocal eyeglasses (or bifocal contact lenses) may not be able to comfortably enjoy the experience.

### [Rules to follow during the experience]

- Do not handle the VR goggles or other equipment roughly.
- Do not act in a way which could inconvenience other customers.

### [Notes regarding the experience]

- About bringing in your baggage
  - Big baggage or suit cases cannot be brought in during the experience. Please use the luggage compartment next to the seats.
  - Please be careful with your valuables, and remember to retrieve your baggage as you exit.
- About group participation
  - It may be impossible for all members of a group to participate at the same time when the attraction is crowded.
    - Please understand that we guide customers to the experience in the order in which they arrive.

#### [Notes regarding clothing]

- Clothing may be blown by a strong wind from underneath. Please refrain from using VR-bungee if you are wearing a skirt.

## About cameras and video shooting

You can freely upload any video or still picture of yourself (feel free to share them on social networks!)

\*It is forbidden to upload videos or still pictures of others without their permission.
